Ahmad H. Aggour

The Egypt Parliament's role model is Saudi Arabia. People are still too naive to notice.

I hope Mubarak gets a 'not guilty' for a verdict. Maybe people will wake the fuck up and get back to the streets.

MccainEgypt issue of NGO came up in our meetings and we are confident acceptable solution will be found

MccainEgypt the real issue is not about America it's about Egyptian and Egyptian civil society groups and whether their rights respected

MccainEgypt we met with Tantawi who said he's work diligently on the NGO issue

MccainEgypt US treats our Egyptian allies with dignity and respect. We made mistakes in the past with this relationship

MccainEgypt we approach issue of NGOs with guarded optimism. It's not about making threats (in ref to withholding aid)
