

How to Purchase Books on the INSS Website

Beginning in 2018, selected INSS research material, books in particular, can be accessed fully upon purchase.

1. A “Buy Now” icon will appear next to all publications that can be purchased. This allows purchase of a digital copy (pdf) via PayPal. Upon completion of the purchase process, a copy will be sent to the email address that appears on the purchaser’s PayPal account.

2. The purchase process described above (step 1) does not apply to hard copies. If you are interested in purchasing a hard copy, contact Yoel at the INSS information Center, at yoelk@inss.org.il.
3. Publications that can be freely accessed and require no payment can be downloaded as a pdf file by clicking on the download icon. This icon will not appear next to publications available for purchase will.
