How Europe has gone astray on the JCPOA and Iran

The latest steps in the ongoing European effort to obstruct the Trump administration's pressure campaign vis-à-vis Iran include the €18 million "support package."

By **Emily B. Landau** / Dec. 13, 2018

Since US President Donald Trump's pullout from the Joint Comprehensive Plan of Action (JCPOA) last May, Europeans – especially the EU under the direction of foreign policy chief Federica Mogherini – have been doing everything in their power to undermine US efforts to recreate pressure on Iran as a starting point for a new negotiation with Iran that would cover its nuclear, missile and regional activities.
