* The Jessup Competition is the world's largest moot court competition. The competition is a simulation of a fictional dispute between countries before the International Court of Justice, the judicial organ of the United Nations. The Israeli final, organized by the MFA, will be held at INSS on the morning of the February 27, 2014. This year the topic is related to the Law of the Sea. The winning team will represent Israel at the international competition to be held in Washington, DC.

The event will be held in English | The Public is invited. Limited seating is available | The event will be broadcast live on the INSS website: www.inss.org.il
Pay parking is available at the nearby Tel Aviv University parking lots.
